

## LINING UP FOR FEDERAL PLUMS

Word from Phoenix Is That Applicants Will Be Numerous for Office Under Wilson

### THE U. S. MARSHALSHIP

The Arizona Republican brings the news from Phoenix of various and sundry democrats who have hoisted their banners of official desire high into the political firmament, now that the election of Woodrow Wilson as the next president of the United States is assured.

The Republican, of course, only sees and hears of those candidates who happened to be in Phoenix when the glad tidings came over the wires Tuesday night telling of the big democratic victory and no account is taken of democratic aspirants in the remainder of the state, outside of the capital city, of which there are many in every county.

**Speaks of Applicants.**  
Speaking of applicants heard of in Phoenix, immediately after both Taft and Roosevelt had received the count, the Republican says the process of cataloging the applicants is now said to be in progress but it has been found to be a more herculean task than was expected. The office of United States marshal is occasioning the most trouble. Three candidates have been informally announced by rumor. W. T. Webb, democratic elector; Joe P. Dillon, clerk of the supreme court, and A. W. Forbes, of Tucson, manager of the campaign last spring of Eugene S. Ives for the delegateship to the Baltimore convention. Incidentally it has been stated that applicants for any federal office must first secure the indorsement of Mr. Ives. Thus, Mr. Forbes would seem to occupy a place next to the pole.

**Candidates Number 36.**  
But these three candidates do not constitute the whole field. There are said to be thirty-six others who would like to have the marshalship thrust upon them. Their names will shortly be collected and arranged in alphabetical order.

There are two known candidates for the United States judgeship, Lewis T. Carpenter, assistant attorney general, and Mr. A. S. Hawkins. Neither of these gentlemen is a "Hassayamper." But residence is not a necessary qualification for a federal appointment.

Wiley Jones, democratic elector, it is believed, could be prevailed upon to accept the United States district attorneyship. Mr. Jones is a patriot, first and a democrat afterwards. He would not disregard the call of his country.

**Two Mentioned.**  
Two names have been mentioned

## Miss Madeline Lee, Daughter of Veteran James P. Lee at Orpheum

In connection with the customs collectorship at Nogales, Ed. Shaw, a delegate to the Baltimore convention, and Phil Herold. Mr. Shaw has a stronger claim by reason of the services he performed at Baltimore, but Mr. Herold has the advantage of popularity. He is a resident of Nogales, where the spirit of home rule rises high.

J. M. Ronstadt, chairman of the Pima county democratic committee, is an applicant for the position of postmaster at Tucson to succeed J. Knox Corbett, around whom generation after generation has grown up and hailed him as postmaster, many of the present generation believing him to be the first and only postmaster Tucson has ever had in the more than two hundred years of the existence of that town.

**Other Applicants.**  
There are a lot of other original Wilson men whose names will shortly appear in the catalogue. But there is one resident of this community who would have a pull if he cared to exercise it, but is not an office seeker and probably nothing within the gift of the next president would appeal to him. In fact, he has what might be called a double pull. He was a college mate of Governor Wilson and a member of the football team when the governor was its coach.

More than that, he is a brother-in-law of William G. McAdoo, one of the nearest political friends of Governor Wilson, his most valuable ally and on account of the illness through the greater part of the campaign, of Chairman McCombs, was acting chairman of the democratic national committee. The name of the man thus doubly related to Governor Wilson is J. H. Fleming.

## RECALL INVOKED IN COCHISE PRECINCT ON LOCAL CONSTABLE

Petition Filed with Board of Supervisors Asking for Recall Election on Charges Against Jenkins

### INTENDED VICTIM ADVOCATED RECALL

The first recall petition to be filed in this county was read at the meeting of the board of supervisors at Tombstone Thursday. The petition makes charges of incompetency against Constable Jenkins, of Cochise, and charges that he is too free in the use of his official pistol and asks that an election be called in Cochise precinct to recall the constable. The petition contains the required number of names and the board, under the recall law, will have to order the election. The recall petition is said to be the result of a small neighborhood row which has divided the citizens of Cochise into pro-Jenkins and anti-Jenkins and one of those interested in the fight on Jenkins admitted that he did not believe the board could appoint a constable that would suit both sides.

**Cost Would Be \$600.**  
Although Cochise precinct has only about fifty voters it would cost the county approximately \$600 according to Chairman Hickey, of the board of supervisors, to hold an election for the recall of the constable, who is well known in Bisbee.

The outcome of the sentiment against Jenkins was astounding to the members of the board of supervisors when they came to figure up the cost of the recall election. In the first place the county will have to pay Jenkins \$150 for his expense in fighting for his official life and the expense of the election will run the cost up to about \$600. The law is positive, however, and the board will have to call the election.

**Reputation Excellent.**  
Jenkins has the reputation of being a good peace officer and is known here. He came to this state from Oklahoma. He is said to be prepared to fight to retain his job.

During the constitutional election two years ago Jenkins was one of the active democratic workers in the north end of the county. He was present at several democratic meetings and at Douglas on one occasion addressed a democratic meeting, his speech attracting numerous complimentary remarks. In this speech Jenkins advocated the recall system of which he is now the intended victim.

This is the first news of any friction in Cochise precinct. It has been suggested that the board of supervisors would be justified in abolishing this precinct, rather than to incur the expense of a recall election which has been brought on by a neighborhood row.

## NEW CONSUL HAS HAD WIDE EXPERIENCE

Entered Government After Long Experience in the Newspaper Work

The Hon. Fred Simpich, who has been named to act as United States consul for Sonora until a successor for Dr. Alexander V. Dye can be chosen, has arrived in Douglas and is now engaged in meeting local people there. Mr. Simpich is an old newspaper man, having served in the editorial staffs of a number of the larger dailies of the country prior to entering the consular service, says the Dispatch.

It was from the position of telegraph editor of the San Francisco Bulletin that he was called in 1909 to take the consular post at Baghdad, in Turkish Arabia. While in that post he familiarized himself with the excavation work which is being done under the direction of German scientists. He has numerous photographs as well as a number of articles written for various publications, in which he discusses the ancient life and customs of the Medes and Persians as revealed by the ruins. Among other things he has a photograph of the tomb of Jonah and another which purports to be that of Mother Eve herself, this being the popular rumor.

Mr. Simpich was recalled from Arabia to Lower California in 1911 when, shortly after the invasion of that Mexican state by Price and Mason by the health of the American consul at Ensenada failed. He has since held that post, coming here to succeed Mr. Dye. While his headquarters are at Nogales, Mr. Simpich will be in Douglas frequently on business connected with his work. He will probably remain here for a day or two longer following which he will go to Cananea and other points in Sonora on consular business.

Mrs. Simpich and son who are now visiting with their father and grandfather, Judge Edwards, of Missouri, are expected to join the consul between now and Christmas.

**Healthy Palms.**  
An olive oil bath is an excellent thing for a palm or fern. Pour two tablespoonfuls of olive oil at the root of your plant about once a month. You will immediately note the difference in the plant. It becomes a healthy green and the leaves fairly sparkle in the light. If your plant is small, you will not need so much oil.

**The Meanest Man.**  
"He's a mean cuss, isn't he?" "Mean? He's capable of going into a barber shop for a shave and then getting his hair cut, a shampoo, massage and hair treatment just to keep other people waiting."

## CHANGE OF VENUE FOR GREENLEE SUPERVISORS

Board Alleges Prejudice and Asks for Case to Be Transferred to Pima

CLIFTON, Nov. 8.—The supervisors of Greenlee county, who were indicted at the May term of court for removing public records from their office, have been granted a change of venue to the superior court of Pima county.

They alleged prejudice against themselves on the part of the people of their county who might be drawn on a jury by reason of the location

of the county courthouse and the building of the Duncan-Clifton road.

The papers alleged to have been removed were in a profile and estimate of the road and a plan of cross section.

The defendants asked for removal to Graham county. There are two indictments one for each paper, and the offense constitutes a felony. It is alleged to have been committed on January 16.

### Value of Choice Ideas.

Few things matter more to us than the entry of choice ideas into our outlook. Let the "practical" man condemn them if he will; those minute and delicate powers give the tinge to our thoughts, the bias to our theories, that determine our whole attitude towards life and shape the destiny of nations.—George Bourne.

## CANYON STARS WILL CONTEST THE COLTS

Soccer Game Sunday Promises to Be Hotly Contested Match

The Tombstone Canyon Stars and the Colts soccer teams will hold the boards on Warren field tomorrow afternoon and the game promises to be as interesting as was the game last Tuesday when the Lowell United, last year's champions, nosed out a victory over the Colts by a single goal.

In the Stars' line-up for tomorrow's game will be seen Jack Wilson, last year's star winger and the Colts will present a strong line-up, especially since the improvement of the forward line by the inclusion of the Scotch trio, Thompson, Henderson and Rutland. The line-up will be as follows:

Stars: F. Smith, goal; Ed Johnson and Dougherty, backs; W. Curry, W. G. Johnstone, Kirkbride, half backs; Thomas, Whitehead, Northmore, Ashman and Wilson, forwards; Liddie, Madden, Walton and McCune, reserves.

Colts: Walt Johnson, goal; Kennedy, Richardson, backs; Ainsworth, Wilf Johnson and Carter half backs; Carter, White, Fitzgerald, Thompson, Henderson, Rutland, forwards; Porthouse and Wilson, reserves.

There will be a meeting of the Tombstone Canyon Stars at their headquarters Sunday afternoon at 6 o'clock.

### Foolish Waltzing Contest.

An extraordinary waltzing watch in which eight couples competed took part at Alessandria, Piedmont, Italy. The dancers commenced at 10 o'clock in the evening of the 25th instant and did not cease until they were compelled to do so from exhaustion. At midday on the 26th, when there remained only two couples in the contest, the jury ordered the termination of the match, which had lasted 14 hours, and Regaldi, who was adjudged champion, fainted immediately afterward.
